

About Me

I am a focused, calm person and have a great capacity to adapt when working in teams. My goal is to be able to develop myself as a programmer, get work experience and learn as much as I can. I consider myself a quick learner, adept at mastering new technologies and applying them effectively in my work.

Education

Bachelor's Degree in Computer Engineering 2020-2024

Instituto Tecnológico De Costa Rica - Cartago

Languages

Spanish

English
